

Aveer FX Trading Academy

Professional Forex Education
Price Action & Smart Money Concept
Mentorship

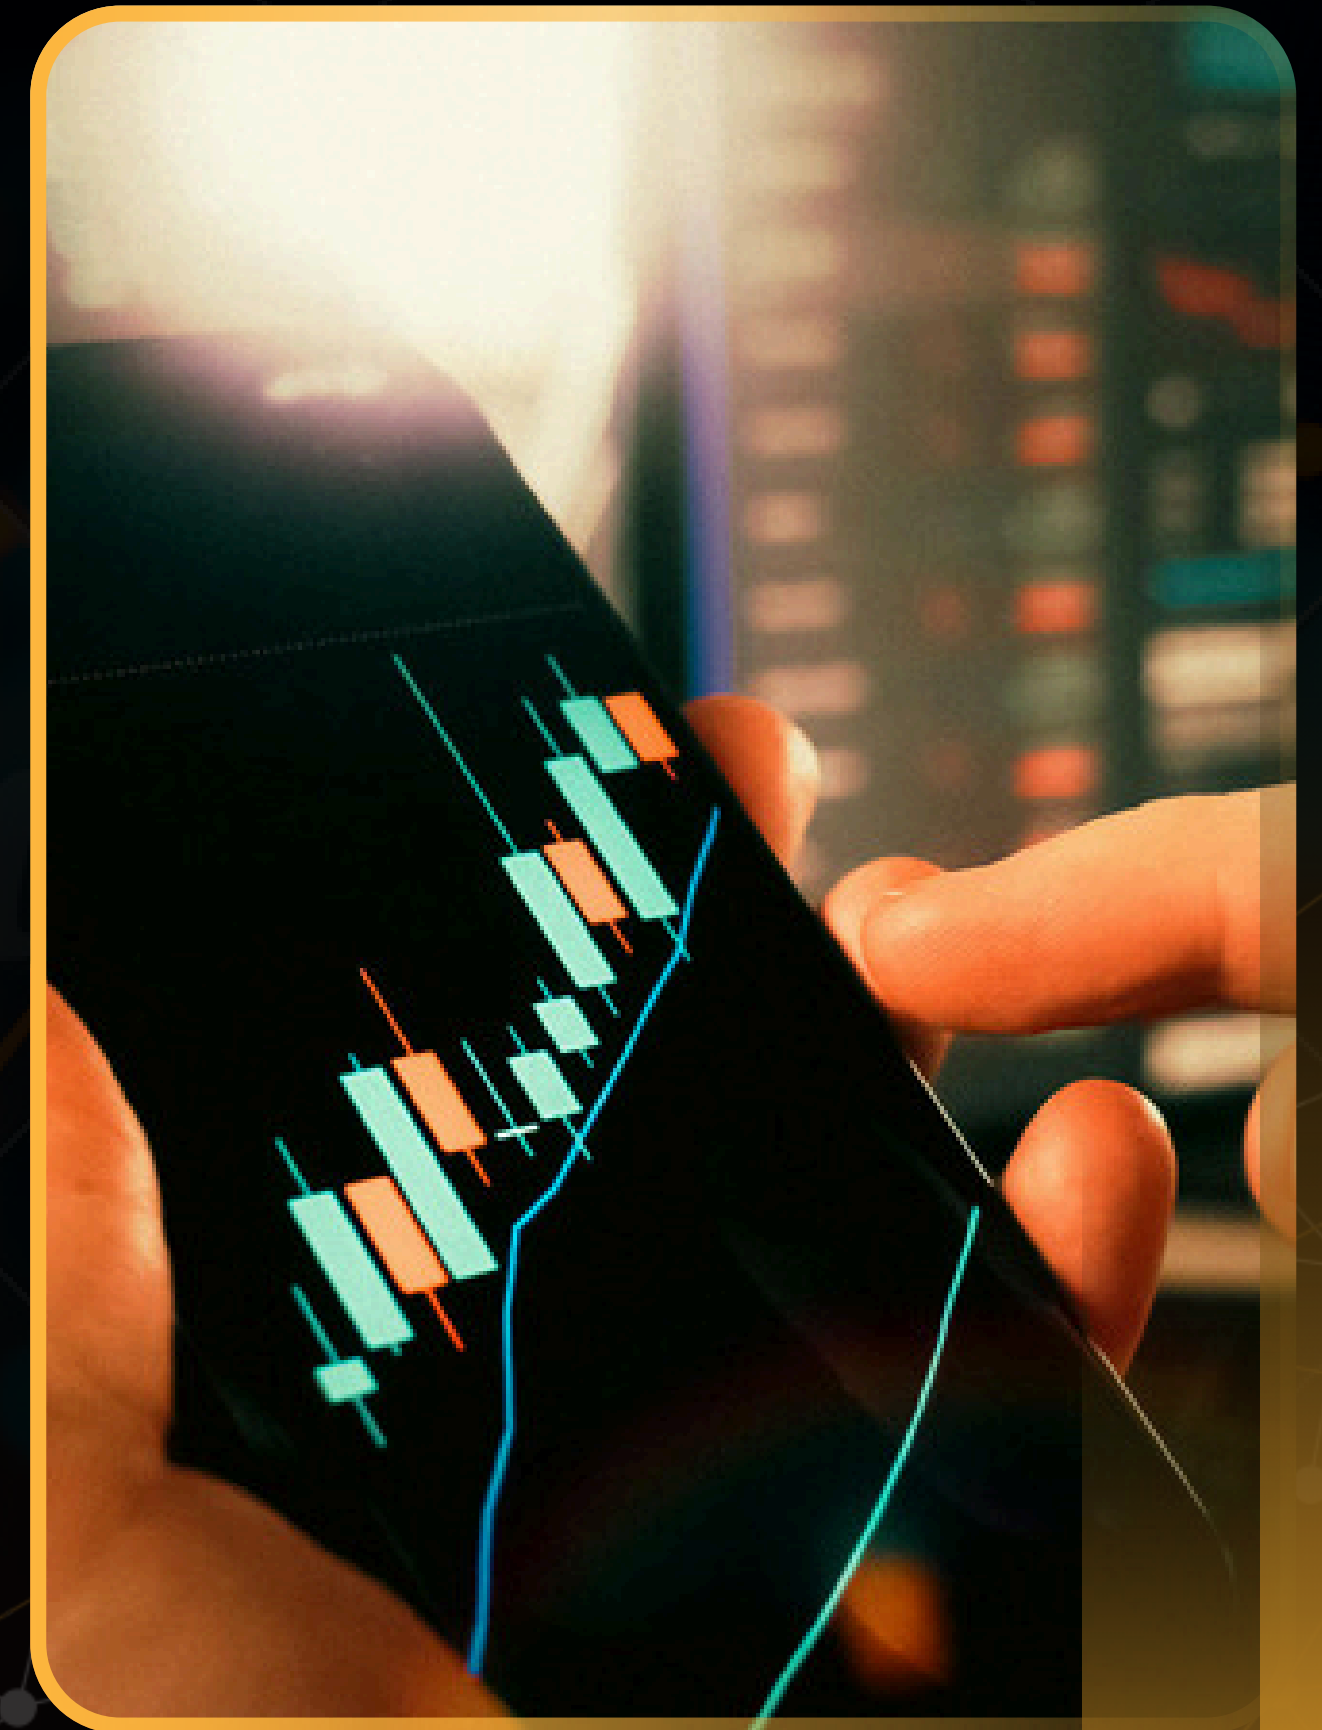

What Is the Forex ?

The Forex market (short for foreign exchange market) is the global marketplace where currencies are bought and sold.

Who participates?

- Banks
- Governments and central banks
- Multinational companies
- Investment funds
- Individual traders

EXECUTIVE SUMMARY

Building The Next Generation Of Profitable Traders

About Aveer FX Trading Academy

Aveer FX Trading Academy is a professional Forex education platform focused on developing profitable and disciplined traders through Price Action, Smart Money Concepts (SMC), Risk Management, and practical market experience.

Our mission is to bridge the gap between theory and real market execution by providing structured education, live mentorship, and a supportive trading community.

Key Objectives

- ✓ Educate traders from Beginner to Advanced level
- ✓ Specialize in Gold (XAUUSD) Trading
- ✓ Build a strong trading community
- ✓ Help traders qualify for funded account opportunities
- ✓ Create long-term income opportunities through referrals
